ASSESSMENT REF:- RFSG002

SITE **Avon Sports Bar - 1st Floor** ACTIVITY **BELL TARGET SHOOTING**

HAZARD	CONSEQUENCE	AT RISK		ASSESSMENT			CONTROL MEASURES	RESIDUAL RISK			
		Visitors	Team Members	SEVERITY 1-5 X	PROBABILITY 1-5 =	RISK FACTOR		S	P	RF	
Fire	Death, Serious injury, Burns	X	X	5	3	15	Fire risk assessment carried out. Fire Alarm system in place and tested. Smoking only permitted out side of the premises. On hearing the emergency alarm leave the premises immediately, in an orderly fasion, and re group on the oposite side of the road. DO NOT "WANDER ABOUT" STAY IN YOUR GROUP. Team Captains ascertain all shooters and visitors have safely vacated the premises. Teams Captains pass this information to the ASB Chief Fire Marshall. No one, shall re enter the premises untill told to do so by ASB Chief Fire Marshall or the Fire Brigades Officer in charge.	5	1	5	
Young Shooters	Serious Injury	X	X	4	5	20	Team Captains must notify the League's Safety Officer before any "Young shooter" is allowed to shoot. The Young Shooter MUST NOT be allowed to shoot untill the League Safety Office has assessed the capability of the Young shooter in association with the equipment they are expected to use. The assessment will be carried out at an agreed time , date and venue. After assessment by the League Safety Officer, if the Young Shooter is permitted to shoot, then all future shooting by the young person shall be fully supervised by the Team Captain and the young shooters parent /guardian. If the Young shooter is not cleared, at this time , for shooting, the reasons will be fully explained by the League H&S Officer. The Team Captain must ensure theYoung shooter does not shoot. A Young Shooter who is not cleared to shoot can still practice "DRY FIRING" using the equipment intended for shooting, under the control of the team captain and parent / guardian	4	1	4	
Shooting	Serious Injury	X	X	4	4	16	Firing the weapon shall only take place with the barrel pointing towards the target. Painters / Scorers, if present, MUST be behind the Safety Screen and all other personell, if present, MUST BE CLEAR of the range. IT IS THE SHOOTER'S RESPONSIBILITY TO ENSURE THAT THE RANGE IS CLEAR BEFORE BRINGING THE WEAPON TO THE "POINT OF AIM" AND FIRING. Firing of weapons in any other circumstance is NOT PERMITTED. No one, other than the Painter / Scorer shall approach the target. No person shall enter the area between the firing point and the target, unless firing has been suspended and the the weapon made safe. When at the firing point the shooter MUST ensure the Weapon, in any state, is NEVER pointed at or above persons located adjacent to the range. Arrange seating to ensure safety of those watching. Place an indicator at the firing point to warn of gun limit of swing during the loading or shooting operations.	4	1	4
