9. LDC (RG) last meeting of the Warwickshire Small Bore & Rifle Assoc had been cancelled due to short notice. Awaiting new date.

10. ANY OTHER BUSINESS

a) B Fleming invited thoughts from delegates about representation/attendance from Committee members. It was generally agreed that if a Committee member couldn't attend, then they should send a brief report. S Ray pointed out that good control needed to be kept on Finances, specifically handling of receipt book.

b) GDPR. After advice from Nick Williams, the following need to be in place: Subject Access Request form, Right to be Forgotten form, Policy for Breach, Opt Out form. A Smith raised issue of photo permissions, which was presenting a problem on website where many team photos could not be posted if just one team member had not given permission. Worth considering new stance on this, with a good photographer present at events, and permissions sought.

c) Home Guard Club. Andy Morris reported that it may be ready by February.

Meeting ended 8.47pm
