6. **AOB**

a) Potential donation to DEC Ukraine charity. WC proposed all 4-a-side entries go towards that appeal. Seconded by RG.

b) Updated list of Members (AS). It is believed that some Avenue memberships are still outstanding. Reminder that if members are not paid up members, they are not insured. They will not be 3rd liability insured, so not part of the League.

Action: AS to send RG & WC list of those unpaid, and WC will contact Avenue.

c) NW/RG reported that Avon have removed all equipment from Avon Clubhouse, ready to be installed at Snitterfield later this month.

d) Safety: it's been observed some guns are being handled incorrectly, i.e. horizontally.

Action: It should be everyone's responsibility to pick up on this whenever anyone sees this.

e) Gun testing. Paul reported testing is up to date.

f) AS reported new plunger would cost £25 via City Air Arms. Needed at Binton, Avon & Wilmcote. Discussion about whether an order should go in. It was proposed by WC that 4 should be ordered, leaving one in stock. Teams will pay for these. Seconded by SH.

Action: AS to send Steve Ray an email about this purchase.

g) AS reported on Virtual match with Walton Lions - they are still getting prepared but SAGL needs basic kit for this too - 3 x laptop cameras & possible other equipment.

Action: AS to discuss with his contact there what equipment is required.

Meeting ended 8.26pm
