Monies due to be paid in the near future:-

No details at the time of the meeting.

Report ends. Steve Ray.

6 Match Secretary Report:-

7 Social Committee Report:-

Nothing to report.

8 League Development Committee:-

There is an event being worked on, which will use paper targets as a scoring medium. The competition will have classification system based on a shooters average. Class A, B, C, with the highest score from any one of the three classes, being the Champion of the evening.

The reasons for this type of event are two fold, one is to get SAGL members who shoot in inter league paper target competitions, up to speed, giving us a stronger team to win this prestigious event. The second reason is to get some experience in running a paper target event, with the aim to run an open event next year. This would be open to any shooter from around the country, with the aim of raising the profile of the league, and raising funds for SAGL.

The proposed venue for the competition is Wilmcote, held on Saturday 19th March 2016. Please consider coming to the event, as you will realize what a useful way of improving your technique, paper target can be. Bring a plate food on the night, and a raffle will help to potentially make this a fun night, worth repeating on a yearly basis.

9 Any Other Business:-

Senior Cup is taking place at Wilmcote on 5th November 2015.

Andy Smith reported that the Web hosting and Domain name, have been secured for the charge of £36.00p

Juana is to forward the history of bell target by Frank Spittle to various committee members for their perusal.

Juana had instigated the printing of the new season registration forms, and was thanked for her input. They will be distributed to team captains asap.

Whilst the forms are a little late, if Captains can get their members to fill in the forms and collect the individual fees asap, then this would be very much appreciated.

Meeting closed:-

The meeting closed at 8:45pm.

SAGL Secretary.
Andrew Clingan.
